this book contains a new theory for the big bang that created the universe validation of the genesis account of creation the real reason why god created man the real reason for the construction of the great pyramid at giza the real reason why god sent

the israelites to egypt the real reason why god sent jesus to preach christianity the author has applied his powers of analysis and imagination to all the above and linked them in a cause and effect relationship that points to an undreamt of destiny for mankind

for more than 25 years the christian writer s market guide has been the most comprehensive and highly recommended resource available for christian writers agents editors publishers publicists and writing teachers wherever an author is at on the spectrum of writing from beginner to seasoned professional this book will help them find what they are looking for this is the must have tool for getting noticed and published and the ultimate reference tool for the aspiring christian writer detailed listings for more than 180 book publishers subsidy publishers and self publishers detailed listings for more than 170 periodicals by category with rates of pay detailed listings for literary agencies writing contests conferences workshops editorial services and writers groups extensive information on electronic and print on demand publishing 100 bonus pages filled with a wealth of how to information ideas and tips

now updated for 2009 comes one of the most comprehensive marketing resources for christian writers with information on agents editors publisher guidelines specialty markets and more

an tomedia general anatomy principles and applications integrates both regions and systems in a concise and easily understandable text this is a practically orientated book that introduces general anatomy concepts to medical nursing and allied health students containing essential information for immediate comprehension of anatomical concepts and principles over 700 clear illustrations diagrams and real pictures of dissections further assist clinical understanding

for more than twenty years the christian writers market guide has offered indispensable help to christian writers the 2006 edition includes up to date listings of over twelve hundred markets for books articles stories poetry greeting cards and more including information on forty new book publishers eighty three new periodicals and thirty four new literary agents

this is not a romance novel or a self help book it is something in between while writing this book the author himself learned plenty of things about destiny and acting on

dreams even publishing this book is one of the dreams he accomplished own your destiny before it owns you mark these words and try to understand the meaning it is not in your surroundings that inspire you to follow your dreams it is a desire it is a moment to obstinate it is an act of stubbornness because legends have said that nothing in this world comes free in order to get something you have to fight for it well think no more see karl and nysha fighting their way through life in order to fulfil their dreams they have plenty of obstacles opportunities dark past but nevertheless they do not take no for an answer it would have been difficult for them to survive if it weren't for isten the protagonist of this book you might just fall in love with him beware one thing is for sure this book will inspire you to work on yourself your dreams and all that's been hanging on your head since forever some people say that life's difficult the author shows in this book that life's very simple it's just a choice to either live it easily or harshly own your life today and start working on those dreams just like nysha and karl did connect to them in real life so that you never feel alone there's always an isten with you to help believe it and live it
