draws on unpublished historical archives to investigate the writing and thinking processes behind woolf s inter war cultural criticism

in the labors of modernism mary wilson analyzes the unrecognized role of domestic servants in the experimental forms and narratives of modernist fiction by virginia woolf gertrude stein nella larsen and jean rhys examining issues of class gender and race in a transatlantic modernist context wilson brings attention to the place where servants enter literature the threshold in tracking their movements across the architectural borders separating indoors and outdoors and across the physical doorways between rooms wilson illuminates the ways in which the servants who open doors symbolize larger social limits and exclusions as well as states of consciousness the relationship between female servants and their female employers is of particular importance in the work of female authors for whom the home and the novel are especially interconnected sites of authorization and domestication modernist fiction wilson shows uses domestic service to tame and interrogate not only issues of class but also the overlapping distinctions of racial and ethnic identities as woolf stein larsen and rhys use the novel to interrogate the limitations of gendered domestic ideologies they find they must deploy these same ideologies to manage the servant characters whose labor maintains the domestic spaces they find limiting thus the position of servants in these texts forces the reader to recognize servants not just as characters but as conditions for the production of literature and of the homes in which literature is created

fimi explores the evolution of tolkien s mythology throughout his lifetime by examining how it changed as a result of his life story and contemporary cultural and intellectual history this new approach and scope brings to light neglected aspects of tolkien s imaginative vision and contextualizes his fiction

this title offers an alternative approach to modernism as confronting helplessness and passivity upending the traditional view of modernism as defined by elitism skepticism and emotional detachment anthony cuda argues that there is another view beneath this facade one that emphasizes modernism s deep commitment to understanding human vulnerability powerlessness and the unpredictable energies of passion in the passions of modernism cuda explores how four modernist writers t s eliot w b yeats virginia woolf and thomas mann conceptualize passion how they dramatize its upheavals and illuminations and how it affects their ideas about the creative act resuscitating the classical definition of passion from the latin passio to be moved or to be acted on cuda s study suggests that the modernist attraction to passivity arises from a desire to gauge the limits of the active mind and to rethink psychology aesthetics and theories of creativity from the perspective of the moved instead of the mover focusing on well known texts as well as uncollected and archival materials cuda sheds new light on four canonical writers by examining their work in terms of passion scenes vivid intense tropes situated somewhere between exhilaration and terror that recur with insistent regularity over an artist s entire career exerting an unusual psychological force on the creative mind that conjures them
