well known for his historical accounts of satan and hell jeffrey burton russell explores the brighter side of eternity heaven he not only examines

concepts found among jews greeks and romans but asks how time passes in eternity

standing on the shoulders of c s lewis kreeft provides a look at the nature of heaven a refreshingly clear theologically sound glimpse of the undiscovered country kreeft speaks to the heart and the mind for an unexcelled look at one of the most popular yet least understood subjects in religion

it is a glorious and magnificent blessing to share this heavenly message with you this is the third book that has been written in a similar way as divine messages were received by me to share with you and the world the first book is called the book of love the second is called the book of light and this book is the book of heaven let me share the story of how these books came to be on october 31 2020 while staying in angel valley near sedona arizona i met a group of women on a retreat who seemed very familiar to me even though i had just met them one of them mentioned that she heard of a book called the book of love by jesus since i love jesus i said that sounds amazing where can i get that book she said i heard the book got destroyed or removed from the alexandria library intrigued i asked so have you read it she said no then i asked do you know where i can get it she answered no but after a few seconds she said but if you want it you ll find it at that point i remember thinking to myself jesus i want that book the following morning i was in my cabin preparing for the day and i heard a gentle voice in my mind say the book of love by jesus the christ channeled by daniel prok my beloved it is with great love that i share these ideas with you i had a sense that it was a message of great importance so i grabbed my microphone to record it i closed my eyes and took deep breaths to clear my mind and as the words dropped into my mind i spoke the words out loud it was as though i was reading a speech that was written by jesus and forty minutes later the initial message was complete i sat there for several minutes in what felt like a glowing ball of loving energy my body and everything around me looked and felt radiant then chapter 2 started to load into my mind so i continued the process and downloaded the full audio of the book of love a few weeks later back in sedona the words of the book of light dropped into my mind in a similar way and about two months after that while back at my home in la jolla california the book of heaven was received these books are written to connect you to your divinity and help you create what god has always intended for your life to be a glorious and magnificent masterpiece where you are so connected to god in all aspects of yourself that you transcend the discordant conditioning that you have received in your life and you create heaven on earth for yourself and for all of humanity but how do we know that it s jesus you may ask i know from the way the messages came into my mind and then through my heart and soul the warmth of the loving energy of jesus is beyond anything i have felt in my human form also the words of these books are so divinely stated that it is beyond me to come up with something this magnificent as for you you will have a knowing as you read the words feel them with your heart and soul feel them with the depths of your being you will know in addition if you want to see further evidence of how these messages are received through me find my youtube channel under daniel prok there you will find a series of videos where i filmed myself channeling the

chapters of the book of heaven and when you watch those videos you will see how the messages come through me they are not messages that my human mind has constructed they are messages that have come through me from a higher power the book of heaven will bless you as you read it and fortify your connection to god as your human self and god self are unified as one self daniel prok

this catechism is divided into three parts the first part treats of faith the second of morals the third of the means of grace in the first part our lord appears in his character of teacher in the second in his character of king and in the third in his character of high priest and since this catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many this catechism is in fact nothing more nor less than an abstract of our lord s teaching and may be called a guide book for the christian on the road to heaven preface

geography of heaven by dramane traore is is a revelatory unveiling of the architecture dimensions and operations of the heavenly realm as the believer s current and functional habitation this groundbreaking work invites the reader beyond the veil of religious imagination into the structured living reality of heaven as the origin orientation and outflow of the new creation life with prophetic precision and divine clarity traore unfolds heaven not as a vague future destination but as a government a realm of rulership a patterned terrain that mirrors the nature of god and hosts the operations of his kingdom heaven is not a figment of hope for the dying but a blueprint for the living its geography is not natural but it is specific it includes courts councils zones of glory libraries of destiny and thrones of dominion all of which are accessible to sons who walk in the spirit in geography of heaven the believer is repositioned not to gaze upward in longing but to operate from above in authority traore teaches that every true expression of sonship must be heaven governed and heaven sourced the church was never meant to visit heaven occasionally in prayer or vision she was born from there seated there and meant to function from there heaven is not merely the believer s future it is their geography now this book is a divine recalibration it pulls back the curtain on heavenly administration and aligns the reader with their eternal coordinates traore calls forth a generation of believers who will no longer live as refugees of earth but as citizens of a dimension higher than time and stronger than death to know the geography of heaven is to discover where you rule from where your name is written where your identity was born and where your assignment is backed geography of heaven is not an exploration of fantasy it is an equipping manual for those ready to reign from above this is your map to home not where you go when you die but where you stand while you live heaven is not far it is where you truly are
